FOUR JEWEL ROBBERIES  
UNSOLVED BY SLEUTHS

Charles Smith, Broker, Chief  
Victim in Exclusive White Plains  
Residence District.

Private detectives are working on a jewel robbery at the country residence of Charles Smith, a New York broker, in North Street, White Plains, on the night of Sept. 27. It is reported that the loss, largely jewelry, was from \$7,000 to \$10,000.

Chief of Police Harmon of White Plains said that the robbery had not been reported to him, but he had heard it. No arrests have been made. On the night of the Smiths' robbery, the home of Dr. William D. Smith, a prominent physician in North Street, was also robbed. Mr. Smith and his wife were in the house at the time. The robbery was reported to the police but no arrests have been made. It is believed that all four were the work of the same robber or robbers.
